A top-down view of a white ceramic bowl filled with oatmeal. The oatmeal is topped with several fresh strawberries, sliced in half, and several whole blueberries. A silver spoon is partially submerged in the oatmeal on the right side. The bowl sits on a light-colored wooden cutting board, which is placed on a light-colored marble surface. A piece of light-colored fabric is visible at the bottom of the frame.

Whether as a nutritious grab and go option or traditionally served bowl, porridge provides a filling and warming start to the day for diners of all ages.

Quiche is the perfect menu option as the weather starts to warm up and customers crave light salads and al fresco lunches. See this month's Stir it up magazine for more summer menu inspiration.
